## **CLEARINGHOUSE RULE 00-142**

### **Comments**

**[NOTE:** All citations to “Manual” in the comments below are to the **Administrative Rules Procedures Manual**, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated September 1998.]

### **2. Form, Style and Placement in Administrative Code**

In s. RL 133.02 (1), the word “Part” should not be capitalized.

### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

The analysis provides that “Section RL 133.02 (1) is amended to state that the department determines the passing grade on Part I of the examination by using subject matter experts and following procedures outlined in the rule.” In contrast, the text of s. RL 133.02 (1) provides that the department shall determine the passing grade for part II of the examination after consultation with subject matter experts, and “shall determine the passing grade for Part II of the examination in the same manner as for Part I or the department may accept a passing grade recommendation of a testing agency whose examination has been approved by the department.” In s. RL 133.02 (1), should the first reference to “part II” be changed to “part I”?
